BARZEE GUILTY, SENTENCED

Man Who Said He'd Sell Eye For Family Goes To Prison For Rape

John H. Barzee, 41-year-old Canadian war veteran, who early last month gained some notoriety at Sacramento by offering to sell the cornea of an eye "to provide a decent living for his wife, two children and five step-children," pleaded guilty in Superior Court Wednesday afternoon to charges of rape and was sentenced to a term of from one to fifty years at San Quentin prison.

Barzee had been paroled in New York State for a similar offense.

Arrested last weekend by Sheriff George M. Smith, Deputy Ralph Jones and Traffic Captain E. A. Brewster, Barzee confessed his guilt when questioned by officials, and revealed what District Attorney Henry S. Lyon characterized as "the lowest and most revolting case of this nature that has come to my attention."

Barzee was bound over for trial at a preliminary hearing Wednesday morning before Justice of the Peace T. F. Lewis and was arraigned and pleaded guilty, asking immediate sentence, in Superior Court Wednesday afternoon.

Olson Favors "Use" Plan

Warns Supervisors He Will Veto County Relief Proposal

SACRAMENTO, (UP)—Governor Olson warned today he would veto any measure transferring control of relief from the state to the counties.

Flatly opposing decentralization of the state's relief administration, the governor made his warnings at the annual convention of the California Supervisors Association.

The Governor and Relief Administrator H. Dewey Anderson explained to the supervisors their proposed production for use program and expressed opposition to a bill endorsed by the supervisors to provide local control. Anderson estimated that production-for-use would permit of a relief program costing \$73,000,000 as against \$110,000,000 for continuation of direct, or "dole," assistance.

Supervisor C. E. Grier of San Francisco spoke against production for use as a means of cutting relief costs, contending it should be tried only as a federal project. Grier favored county control.

Wm. F. Klare Is Called

Services On Saturday For 40-Year Resident Of Fairplay District

William Frederick Klare, 80, for nearly forty years a resident of the Fairplay district, passed away early Thursday morning at the home of his daughter, Mrs. C. E. Barker, in Placerville.

The funeral services will be held on Saturday afternoon at 2 o'clock from the Federated Church, Rev. Harold Morehouse will have charge. Interment will be at Union Cemetery beside the grave of Mrs. Marian Klare, whose death four years ago separated the couple after more than fifty years of married life.

Mr. Klare had lately taken a rather severe cold and was removed on Saturday last from his home at Fairplay to the home of his daughter, where his illness on Sunday was diagnosed as bronchial pneumonia. Early in the week his condition appeared to be improved and a sudden unsatisfactory turn Wednesday afternoon found Mr. Klare so weakened that he was unable to survive the crisis.

Mr. Klare was born at Coloma, Ohio, and would have reached his eighty-first birthday come July. Upon attaining manhood he took up carpentering and cabinet-making. He and Mrs. Klare were married at Greenville, Ohio, on October 4, 1883.

Six years later, after a period of residence in Kansas, they came to California where Mr. Klare was employed in the railroad shops and also engaged in contracting.

E. C. H. S. Hostess School For Meeting Mar. 25 and 26 At Richardson's Springs

Members of the Girls' League of the county high school, and their advisors, are engaged in making plans for the annual Northern California Older Girls' Conference, to be held this year on March 25 and 26 at Richardson's Springs.

This year's meeting is an especially important one for E. C. H. S., since Miss Janis Ball is the conference president and in recognition of that fact, El Dorado County High School will be the hostess school of the conference.

The Girls' League has appointed a conference committee of nine, including Janis Ball, Betsy Faugstad, Isabel Long, Helen Moran, Jacqueline Coker, Annette Bryan, Anna Jane Basham, Terry Thompson and Inez Bongetta, who, with their faculty advisors, Miss Irene Anderson, Mrs. C. Belle Swansborough, Miss Elizabeth Harper and Miss Gwendolyn Powell, will go to Marysville to meet Sunday for a meeting at which the details of the conference will be arranged.

Miss Mary Edna Henderson, publicity chairman for the Girls' League, to whom we are indebted for the above information, reports that the delegates from E. C. H. S. to the conference were elected on Friday last. They are, Elaine Muir, Jackie Coker and Florence Baalke, who will represent the Senior Class; Betsy Faugstad and Mary Jane Newman, of the Junior Class, and Maxine Miller representing the second year class.

Pilot Hill Man 103 Years Old

"Mention 'Speck,' He Tells Reporter Who Calls For Interview

Frank Coster, Sr., of Pilot Hill, who will be 103 years old on Saturday, March 11th, asked a reporter who visited him this past week for an interview to "be sure to make mention of Speck."

"Speck" is a dog. He's not a "blue blood," but he's one of those dogs who are red-blooded and a real companion to their master. But "Speck" isn't 103 years old.

Mr. Coster was born in Portugal and came to America, he doesn't know in what year, but it was some time during the Civil War. Working on sailing ships from Boston for several years, he later came to the west coast, to Los Angeles, thence to Stockton and finally to Sacramento where he was engaged for some time in work on river boats.

More than fifty years ago, he moved to Pilot Hill.

Some years ago, Mr. Coster said he attributes his long life to the use of garlic and onions, and he still prepares, on occasion, his own preparation of garlic and helps take care of the patch from which it comes.

CLARKSVILLE NATIVE SLAIN

Grover Charles Russi Killed By Gardener; Funeral On Friday

Grover Charles Russi, 54, Clarksville native and a well-known county rancher, was beaten in an assault Wednesday at his ranch home near Freepoint so severely that he died en route to a Sacramento hospital.

Sacramento county officials are holding for the crime Lloyd Wesley Smith, 62-year-old gardener and caretaker, whom Russi befriended five years ago and employed as a caretaker. The man previously was an inmate of an old men's home in Sacramento County.

Funeral services for Mr. Russi will be held at 3:30 o'clock Friday from the Harry A. Nauman chapel at Sacramento. Entombment will follow at Sacramento Memorial Mausoleum.

According to reports in Sacramento papers, Russi remarked to Smith about how much the rain would mean to ranchers and Smith said to have been drinking, disagreed and that an argument ensued at the height of which Smith hit Mr. Russi with a piece of stove wood.

Smith tells a story of being attacked by Mr. Russi.

Mr. Russi was born at Clarksville, February 19, 1885. His parents were pioneer stockraisers in the Clarksville district.

He is survived by his wife, formerly Vida Johnson, of Shingle, and two children, Jack and Joyce, in addition to two brothers, John Russi, of Sacramento, and Louis Russi, of Marysville; three sisters, Mrs. J. L. Miller, of Shingle; Maude L. Russi, of Marysville; and Mrs. T. S. Hall, of Sacramento.

He was a half-brother of Mrs. Edson Shinn, of El Dorado, Tom Walker, of Woodland and Traffic Officer Eugene Walker, of Roseville. Friends of Mr. Russi will find it difficult to credit Mr. Smith's story of being attacked by the rancher, for Mr. Russi was known throughout his life as being mild-mannered, of a general disposition to be kind and considerate of other people in all of his undertakings.

"Outdoor Girl" Is Married

Emeryl McHale Bride Of Francis Snyder In Rites Tuesday At Long Beach

"California's Outdoor Girl for 1932," Miss Emeryl McHale, became the bride of Francis "Chappie" Snyder, of Placerville, in a service performed Tuesday evening at Westwood Village Wedding Chapel, in Long Beach.

The marriage service was followed by a reception for the couple at the Long Beach home of Mrs. Viola Hoard, following which they left for a wedding trip up the central California coast enroute to Placerville, where they will make their home.

Mrs. Snyder, who has been engaged in motion picture and other related work, is a daughter of Mrs. Emily Rice, of El Dorado, and a niece of Mr. and Mrs. L. W. Loomis. Her husband is the son of Mrs. L. R. Ames, of this city.

Entering the "Outdoor Girl" contest while a student at the county high school in 1932, Miss McHale won the honors at the Salinas rodeo and as a reward that year enjoyed a trip to New York and return for herself and her mother.

Screen work followed this trip and, subsequently, Miss McHale made an extensive tour with George White's "Scandals."

The couple planned to stop on their wedding trip at Santa Maria Inn for several days while the bride accepted the last of the series of awards made to her as a result of participation in the Salinas contest. The hotel promised to be host for herself and her husband on the occasion of their wedding.

PROFITS TAX DOOMED

"Business-Aid Program" Will Not Recommend Re-Enactment Of Levy

WASHINGTON (UP)—The Administration is prepared to drop the undistributed profits tax as a gesture of friendliness toward business, reliable sources indicated today.

The tax, which was modified at the last session of congress because business and industry claimed it was retarding recovery, expires at the end of this year. The business-aid tax program, which the administration will submit to congress shortly, will omit any recommendation for its re-enactment.

It is the one tax which government fiscal experts have decided could be eliminated with no great loss of revenue.

President Roosevelt discussed the Tax Program yesterday with Secretary of the Treasury Henry Morgenthau, Jr., and undersecretary John W. Hanes. The conferees declined to discuss the meeting but it was understood a few decisions were reached and that actions on other proposals and suggestions will be withheld until after the March 15 income tax returns can be analyzed.

One of the decisions believed reached, although official confirmation was lacking, was for re-enactment of excise and so-called "luxury" taxes which expire next June 30. These taxes provide an estimated \$500,000,000 annually in revenue.

Strike Cancels Press Dinner

Correspondents' Banquet Plans Halted To Spare President Embarrassment

WASHINGTON (UP)—The White House Correspondents' Association today cancelled its annual banquet because of a strike in 13 Washington hotels and thus removed the possibility that President Roosevelt would have to decide whether to cross a labor picket line.

Mr. Roosevelt annually is a guest at the banquet, given by newspapermen accredited to the White House. The Mayflower Hotel, where the banquet was to be held Saturday night, is being picketed by members of two American Federation of Labor unions, part of the estimated 2200 employees of the 13 hotels who struck yesterday. Rather than cause embarrassment for Mr. Roosevelt, cabinet officials and other high government officers invited to the dinner, Earl Godwin, president of the association, cancelled the affair.

Lyman Bender, our retiring chairman, refused to accept the nomination for various reasons so was given a big hand for what he has done in the past. We all feel that in his capacity as chairman he has made our community a better place to live in. Mr. Bender has a very admirable slogan which might well be copied by all of us, "Leave our differences at home and let's have peace and harmony." The Dramatic Club gave a small skit entitled "The Country Doctor" which was written by Joe Bender. After the business of the evening was completed delicious refreshments were served.

Edmund Shackleton has leased the old Wall place and is going in for some extensive farming.

The regular meeting of the Dramatic Club was held at the school house last Monday evening. Plans are going forward for the St. Patrick's day basket social to be given on March 17th. We hope for a large crowd and lots of baskets. There will be prizes for the two best baskets and loads of fun for all.

The children of this district, with their teacher Mrs. Kemp Van Ee, went to Diamond Springs school on Wednesday morning where an interesting program was given which was very educational.

Mrs. Keiler, local real estate broker, has returned from a ten day trip, which included a visit to Mariposa County where she was checking the Cooley estate of 800 acres, the selling of which has been turned over to the Keiler office. The remainder of the trip was spent in and near San Francisco on real estate matters and visiting the Golden Gate Exposition.

2 A. M. LIQUOR CLOSING AFFIRMED BY STATE BOARD

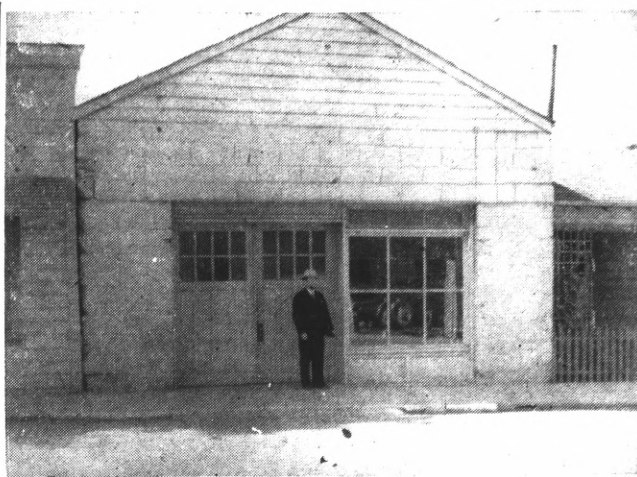

SACRAMENTO (UP) — The state board of equalization today stood firm on its position opposing any change in the 2 a. m. closing hour for liquor establishments.

Following its action last week, when it suspended licenses of several San Francisco and bay area taverns, the board adopted a resolution by Fred Stewart of Oakland, opposing any change in regulations. The resolution of policy was adopted by the board on March 7, after a hearing on the subject. The board has been in session since March 6, when it was called into session by the state board of equalization to consider the proposed change in the 2 a. m. closing hour for liquor establishments.

Misuse Of Funds Laid To Tax Commission

PHOENIX, (UP) — A select Arizona house of representatives committee appointed in January, today charged the state tax commission with "malfeasance in office" and "gross misuse of public funds."

The committee "severely censured" the superintendent of public instruction for asserting "falsity in use of funds," and recommended a further investigation of the tax commission.

The old saying is that March comes in like a lion and goes out like a lamb. This may be all true but for some years past the saying has been reversed. During 1936, 1937 and 1938 we failed to get any rain during the month of March before March 12, which was the date of our first rain for the month last year.

WM. F. KLARE SERVICES TO BE HELD ON SATURDAY

(Continued from page one)

District in 1901 and Mr. Klare took up a homestead on an acreage which has since been the family home. A family reunion celebrated their golden wedding anniversary in 1933.

In his home district, Mr. Klare was always identified with progress and gave freely of his time and energy in behalf of various projects in community betterment and in fulfilling semi-official duties in the county life.

His friendly and cheerful disposition won him many friends, and endeared him to a large circle of friends and he demonstrated throughout his life the traits of a Christian gentleman.

In his last illness, he received the devoted care of the family, being ministered to at his home at Fairplay by Mr. and Mrs. George H. Klare and upon his removal to Placerville was cared for by his daughters, Mrs. Marian Melson and Mrs. Barker, with additional professional assistance.

The sympathy of many friends is extended to the surviving family whose members include Mrs. Marian Melson, of Diamond Springs; Mrs. Alma Barker, of Placerville; George H. Klare and William E. Klare, of Fairplay, nine grandchildren and several great-grandchildren.

WASHINGTON, (UP)—Dr. Frederick C. Howe, former consumers counsel for the agricultural adjustment administration, charged today that two large producers fix retail prices for the \$2,000,000,000 milk industry.

He did not name the two distributors who "fix the price to the consumer at one end of the line as they fix the price to the farmer at the other end," but said they operate out of New York City.

Savings Row Nears Court

State Seizure Denounced As Loan Commissioner Bares Objections

SAN FRANCISCO, (UP)—Affairs of the Pacific States Savings and Loan Company moved toward the courts today after Robert S. Odell, ousted president, issued a denunciation of the Olson administration and told of asserted campaign contribution to gain his corporation a "square deal."

At the same time Ralph W. Evans, building and loan commissioner, who took over the company last Saturday, accused the company of making "their greatest profits out of the very depositors to whom they owed a duty of making a profit."

Evans repeated former statements that company certificate holders faced no loss through the state's seizure act and said a practice to which he objected had been stopped, February 13.

This practice, Evans said, involved encouraging tenants of Pacific States property to pay in certificates sold on the open market at 50 to 55 cents in recent months, then were retired by the company at full face value.

WOODEN BOX ASSOCIATION GAINS MEMBERS, PLANS ANNUAL DANCE

At a regular meeting of the El Dorado County Wooden Box and Lumber Employees Association, held Tuesday night at the S. G. Beach Box Company's office, three new members were taken into the organization, plans were laid for the annual Sawdust Jamboree, arrangements were made for the observance of Conservation Week and at the close of the meeting the entire membership present had their picture taken for publication in an issue of the Wooden Box News.

Members taken in were, Carlos Meyers, William Stencil and Frank Rohlfing, all of the Stockton Box Company of Diamond Springs.

A committee was appointed to make arrangements for the third annual Wooden Box Dance and Sawdust Jamboree, which is to be held at Landis Hall, Diamond Springs.

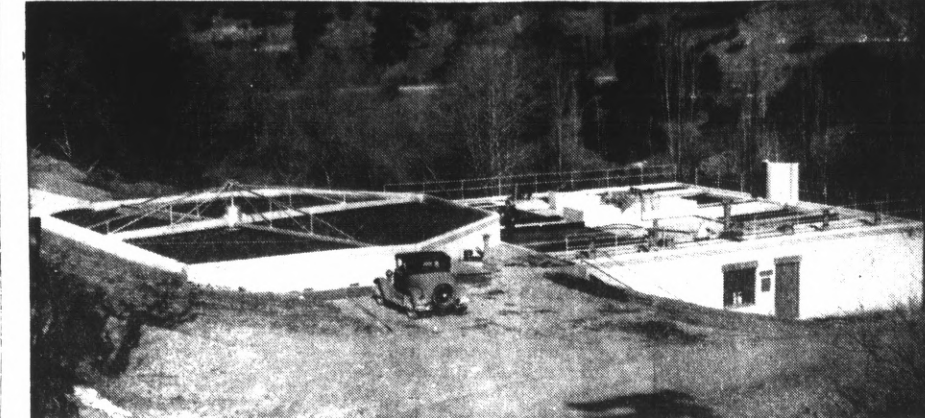

Committees were appointed to call on the business men and women of the county and ask their observance of Conservation Week, March 7th to 14th and to support the Wooden Box promotion generally.

In setting the date for the next regular meeting it was noted that a change will be made, from the first Tuesday of the month to the first Monday, which date will be April 3.

This was done to avoid conflict with the Camino Wooden Box Whiskerinos club which meets each Tuesday night of the month.

MOTHER, DAUGHTER DINNER TICKETS TO BE ON SALE LATER IN MONTH

The committee in charge of plans for the annual Mothers' and Daughters' banquet, to be held at the high school April 13th, announces that tickets will be on sale later this month. A limited number of tickets will be for sale, and those who plan to attend should get their tickets early. This dinner is a get-together of all mothers and daughters. Those women who wish to have a "daughter for the evening" may make arrangements with the office of the high school. The theme of the evening is "nuggets." The decorations, as well as the program, will center around this theme. In the way of food, entertainment, and inspiration, the dinner promises to be a bigger success than ever before, the committee states.

MONROE MCGEE IS GIVEN MONTH IN JAIL AND PROBATION

Monroe McGee, who on Friday last pleaded guilty of burglary determined to be a burglar in the second degree, and who made application for probation, was sentenced Wednesday afternoon in Superior Court.

Judge George H. Thompson granted probation for a period of two years and imposed a thirty-day jail term as a special condition of the probation.

McGee, whose record shows prior arrests on charges of embezzlement in St. Louis and also an arrest at Reno last December, was accused of entering a house at Diamond Springs owned by Lola Wells for the purpose of committing larceny.

Officers reported he had stolen a stove which he attempted to sell to J. H. Rhodes, Placerville business man who deals in stoves, who recognized the article as having been stolen.

CHIP SHOTS

Sunday set a record with the biggest crowd seen at the club. Fully 80 to 100 golfers took advantage of the fine day and our beautiful golf course. Such players as Dr. A. A. McKinnon and his guest, Dr. T. E. Jones; John Raffetto and his guest, Jimmie Logan; Tom Brumback and his guest, Mr. Bartell were present in great number. New members this week are Mrs. W. F. Beard, Patricia McCann, John H. Palmer, Bert Pierroz, Dr. and Mrs. W. A. Rantz, Clyde Curtis and Dean Robinson.

Most of these people hadn't had a club in their hands for five or six years and from the interest they displayed, you may be sure to see them often from now on.

Sunday, March 26 will be our home and home team match of the Spring. Amador Golf club will motor over from Jackson with a team of from fifteen to twenty players to try to take us into camp.

Get busy on the ladder and make your place on the team. We must win. The fast improving young players who will make it hot for a place on the team are such fellows as Bob Roberts, O. D. Murdoch, Fayette Franklin, Pal Killian, Joe Bildeaux, Bud Edelman and others.

In one of the really fine matches on the ladder Sunday Edelman took his food emporium rival, Harry Jasper, for a ride to the tune of three up and a bunch of carrots.

The battle royal saw the de-throning of King Ronald Cook to the new king, former Crown Prince Bob Patterson. Bob won the crown by throwing pars and birdies right and left, mostly left, until "Cookie" said enough to two up and the holes ran out.

But the fireworks are just starting. Ed Cook, J. C. Wilson, Ronald Cook and others are sharpening their rights, so watch the fun. J. C. Wilson also wanted the throne but Ronald pulled a birdie four on the number eight to kill his chance and Ronald won, one up.

"Dark Horse" Don Goodrich pulled a fast one on a couple of his friends, Mike Kelly and M. E. Wright, Mike by two and Wright by two holes. He had to have a movie of his swing to set him right for the battle. Max Davey almost caught Ben Larson on his off moment but Ben struggled through by one up.

Joe Hearn borrowed a little oil for his left arm from Standard's Bemis and so slipped in one up to climb a round or two.

The big show is last approaching, Thursday evening, March 9 at the Raffles Hotel. Dinner, movies and plans for the future of our club. No one will want to miss seeing pictures of themselves hitting that ball. Other movie subjects will be shown also, thanks to our good friend Leo Burger and Don Goodrich. It's a date, the evening of March 9.

On Sunday, March 19, Folsom's baseball club will come to Placerville for a game at the same hour of the day, according to Manager Cliff Swesey.
